

Your Jobs on SystemsEngineeringJobs.com

Advertising Rates 2011

On registering with SystemsEngineeringJobs you will have the opportunity to upload your company logo and add text to a company information section. These details will make up your 'Company Profile Page' (demonstrated below). PLUS - Your logo will also be shown alongside ALL of your job posts.

COMPANY PROFILE PAGE

The screenshot displays the SystemsEngineeringJobs.com website. At the top, there is a search interface for job seekers with fields for Location, Industry, Hours, and Job Status, and a Search button. To the right, a list of job postings is visible, including 'Human Factors Design Engineer Job' at McAfee, 'System Engineers In Norway' at Avande, 'Sr. Staff Electrical Engineer Job' at Stryker, and 'Quality Engineer Job' at 3M. Logos for McAfee, Avande, Stryker, and 3M are shown next to their respective job listings.

The main content area features the 'Raytheon' company profile. It includes the company name, head office address (Hamman House, 1 George Street, Uxbridge, Middlesex, UB8 3GQ, United Kingdom), and a description of the company as a prime contractor and major supplier to the UK Ministry of Defence. A 'Show jobs' button is located at the bottom left of the profile section.

On the right side of the profile, there is a 'SystemsEngineeringJobs.com' logo and a description: 'The Job Board for Systems Engineering professionals - UK, Europe and Worldwide.' Below this is a 'Subscribe to newsletters' section with an email input field and a 'Submit' button. At the bottom right, there are social media links for Facebook and Twitter, and an 'XML RSS' feed link.

- All accounts come with a 'Profile Page'.
- Add a description of what you do; current projects; equal opportunities details etc.
- This page links to your current jobs.
- Your 'Logo Button Advert' will link to this page. ** (see Logo Button Advert below) **

- Appears in the 'Featured Jobs' box on the homepage. PLUS - On most pages on the website.
- Job appears on a scrolling basis.
- Job Duration: Depends on whether the job was posted manually or via a feed.

LOGO BUTTON ADVERTS

The screenshot shows the homepage of Systems Engineering Jobs. At the top, the logo for Systems Engineering Jobs.com is displayed, along with the text 'UK, Europe and Worldwide'. To the right, three logo button adverts are shown: BASF (The Chemical Company), Booz | Allen | Hamilton, and Expedia. A green oval highlights these three buttons. Below the logo buttons, there is a navigation menu with links for HOME PAGE, ABOUT, JOB SEEKERS, RECRUITERS, FURTHER EDUCATION, CONTACT, LINKS, and HELP. The main content area is divided into three sections: a login section on the left, a central image of a hand holding a gear, and a 'Featured Jobs' section on the right. The 'Featured Jobs' section lists several job openings with their respective company logos: Avanade, Parsons, BD, McAfee, and GM. At the bottom, there is a search bar for vacancies, with a keyword field containing 'e.g. "Systems Engineer" OR RAMS', and dropdown menus for Industry and Location. A 'Search' button is also present. To the right of the search bar, there is a box for SystemsEngineeringJobs.com, which includes the text 'The Job Board for Systems Engineering professionals - UK, Europe and Worldwide.' and links for 'Place Job Ad Now' and 'Free Trial'.

- Your company logo is prominently displayed on a rotational basis at the top of each page on SystemsEngineeringJobs.
- Also accessed via the quick link. See 'All Advertisers' shown on every page.
- Your logo button takes job seekers to your 'Company Profile Page' and the direct link to all of your Jobs.

SIDE BANNER ADVERTS

The screenshot displays the homepage of SystemsEngineeringJobs.com with several side banner advertisements. At the top, there are registration forms for job seekers and recruiters. A central banner features a hand placing a gear among others, with a list of job openings from companies like 3M, SRC, ATK, and URS. Below this is a search bar with the keyword 'e.g. "Systems Engineer" OR RAMS'. The 'Latest jobs' section lists various engineering roles such as 'Interface Engineer Job', 'Director of Plant Ops/Engineering Job', 'Biomedical Tech PRN - Clinical Engineering Dept Job', 'Property Casualty Risk Engineer Job', 'Mgr Engineering Job', and 'Server Engineer II Addison, Texas Job'. A 'life changing careers' advertisement for Novo Nordisk is also present, along with a 'SystemsEngineeringJobs.com' logo and a 'Jobs By Email' link.

- Advert displays on the Homepage and EVERY page of SystemsEngineeringJobs.com.
- Limited in number – only 3 spaces available on a 28 day basis.
